- Coordinated with cross-functional teams to gather requirements and ensure seamless integration.

### Implementation Engineer, Xalted Information System Client: MTNL

*March 2021 – January 2022*

- Implemented a service to send welcome messages to in-roamers on the MTNL Delhi network.
- Developed RESTful APIs using Spring Boot for efficient communication.
- Managed MySQL database for storing message logs and ensuring efficient data retrieval.
- Analyzed and resolved operational issues within defined SLAs.
- Created preventive measures and documented resolution procedures.

## EDUCATION

---

### Master of Computer Application

Greater Noida Institute of Technology

*June 2019 -June 2021*

### Bachelor of Computer Application

Babasaheb Bhimrao Ambedkar Bihar University

*May 2015 – August 2018*

*May 2014 – May 2015*

### Class 12<sup>th</sup> – UP Board

Mahatma Gandhi Inter college

---

---

## COLLEGE PROJECT

---

### **Rent A place Application**

*April 2022 – June 2022*  
*January 2021 - April 2021*

- Implemented RESTful APIs using Spring Boot.
- Used JPA for ORM (Object-Relational Mapping).
- Managed data with MySQL and PostgreSQL databases.
- Developed a responsive UI using Angular.

### **E-commerce Platform**

- Implemented using Spring Boot for efficient handling of business logic.
- Managed data persistence with JPA (Java Persistence API).
- Integrated MySQL and PostgreSQL databases for versatile data management.

## ACHIEVEMENTS

---

- **Employee of the Quarter** at HCL Technologies - Recognized for exceptional contributions to the development team.
