[Linkedin](#) | [Hacherrank](#) | [Code chef](#)

Proficient in core Java concepts, object-oriented programming principles and collections. A quick learner with a passion for coding and a keen interest in staying updated with the latest advancements in Java development. I am constantly upskilling to expand my knowledge and abilities. Open to learning new technologies, I am confident in my ability to contribute effectively to any team.

TECHNICAL EXPERTISE

- Programming Language: Core java(OOPS concept, collection framework), Jdbc, Servlet
- Database: Mysql
- Framework: Core spring, Core Hibernate
- Front End Technologies: Html, Css, Jsp

ACADEMIC PROJECTS

- **Airline Reservation System**

It is an air ticket booking website where customer can reserve ticket for flights. *It* provides a ticket booking and cancel option.

I created This Web-App as my major project.

Here Users can register and login with email and can book tickets for available flights.

I used JAVA, J2EE, JDBC, JSP, MySQL, HTML & CSS for the development.

- **QR Code Generator**

It is a web application which can convert Text/link into a QR Code,

Back-end is Built with Python by using Flask Framework and deployed on Cloud,

Front-end is written in HTML and CSS

CERTIFICATIONS

- Certificate Course in **Java Fullstack** From TAP Academy Bangalore (2022)
- Certification Course in **C** Language from Aim Point Bhopal (2021)

EDUCATION

- **Pandit Devprabhakar Shastri College of Technology (RGPV)** (2019 - 2023)
B.Tech(Computer Science) | CGPA - 8.27 / 10
