Summary

I am a Senior System Engineer with 3+ years of experience at Infosys. Major skills: Java, Spring boot, Data Structures & Algorithms, and SQL.

Projects

1) Order Management System (Noida, Uttar Pradesh)

- Tools/technology: Java 8, Spring framework 5, phpMyAdmin (MySQL), Web Client, Apache Kafka, Docker, GitHub, Kibana.
- Working with scaled agile methodology.
- API design and development.
- Developed technical specifications and unit test cases.
- Used Kibana to analyze logs and troubleshoot the application issues.

2) Banking Account Management (Noida, Uttar Pradesh)

- Tools/technology: Java 11, Spring Boot, Rest API, Hibernate/JPA, Maven, MySQL, Kafka, Spring Framework 5.
- Responsible for designing and developing Java components using Spring framework to implement transaction management components.
- API design and development.
- Developed technical specifications and unit test cases.

Skills

- Major Skills: Java, Spring Framework 5, Microservice architecture, Data Structures & Algorithms, Spring Boot, RESTful API's, Hibernate/JPA, J2EE, Kafka, OOPS, Caching, Agile, phpMyAdmin (MySQL), Apache Kafka, Html, CSS, JavaScript, Microsoft Excel & Microsoft Power point.

Work Experience

Senior System Engineer | Infosys (18 Oct, 21-Present)

- Responsible for designing, developing, testing, and deploying Java-based applications, specifically focusing on web applications.
- Utilize the Spring framework, including modules like Spring Core, Spring MVC, Spring Data, and Spring Security, to build robust and scalable applications.
 - Design database schemas, interact with databases (SQL), and integrate data storage solutions into the application.
- Design and implement RESTful APIs for communication between different application components.
- Diagnose and fix application bugs, issues, and errors during the development and post-deployment phases.

Education

- B. Tech in Electronics and Communication (2017-2021) (80.1%)
United College of Engineering and Research
- Higher Secondary (12th Standard) – 2017 - Tagore Public School (75.6%)
- Senior Secondary (10th Standard) – 2015 – Tagore Public School (88%)

Extracurricular Activity

- Participated in various coding challenges/Hackathons.
- Actively participate in Organization initiatives in innovation and technology.
